

CORPORATE MEMBERSHIPS

**Empowering
Women**

**Transforming
Industry**

2026

**Join the network
backing women to grow, lead,
and thrive in the steel industry.**

Be part of a growing movement of businesses actively investing in their workforce, building loyalty, and shaping the future of a more inclusive industry.

Steel Chicks was built to drive gender equity in the steel industry by empowering women to enter, re-enter, and rise through the ranks. Whether your team includes new starters, returners, or emerging leaders, Steel Chicks membership provides the tools, support, and community to help them succeed.

We're helping employers attract, support, and retain diverse talent—for a stronger, more diverse workforce—equipping female employees with the skills, networks, and confidence they need to thrive at every stage of their careers in steel. Members get:

**Access to the supportive
Steel Chicks members-only
community network**

**Coaching, mentoring and
leadership professional
development opportunities**

**Supported work experience,
apprenticeships, and
internships career pathways**

**Priority and discounted
access to educational
events and resources**

**Let's work together
to reshape the
future of steel.**

Membership is for your team if:

You want to support
new women in your team

You're helping staff re-enter
after time away from work

You have women ready to
step up in their careers

You want to build leaders—
and a culture that backs them

You value a more inclusive
and future-ready workforce

Let's Connect

**We're not here to tick boxes.
We're here to change the game.**

**Empower the women in your workforce,
and transform the future of steel.**

Why join Steel Chicks?

Whether it's supporting early-career entrants, returners, emerging leaders or established professionals, we can help you:

- / **Build capability:** Strengthen your diverse workforce with tailored training and professional development programs
- / **Attract and retain talent:** Get access to future talent pipelines of skilled and supported women
- / **Foster connection:** help your team create meaningful connections and access opportunity with online and in-person networking and events

/ **Unlock member perks:** Increase brand visibility and industry engagement while you access discounts and resources to support your female workforce

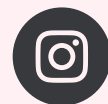

/ **Drive industry change:** Make a measurable social impact in steel by supporting women to overcome barriers and champion gender equity, and inspire others to support inclusion for a vibrant and resilient sector.

Let's connect
